8 months, black and white, the dog has much much on the ribs, thats why she stands not in the format, shes too short, correct head, close pigmentation, dark eye, a little bit too uch skin on the throat, croup is a bit sloaping, short tail, quite good chest, front angulation little bit short in the bone but still good angulation, no underline, good angulated back, little bit less on the knee, correct move sequence but a bit lazy from the back, very sweet character, lovely handled,
