4 years old, nice male for type in size and prop, for the ideal i would like to see a little bit more daylight under him. typ front and rear ang., good body and topline, good tailset and carridge, masc in head, w nice expression, good pigmentation, good bite, compact feet, easy mover, nice coat quality and text of coat, nice color, it's really a pity, that on the move he is aggressive to his fellow classmates. this is not typical for the breed. when standing alone he is presenting himself well.
