tricolor bitch, i would like to see a little bit more length of legs, she has a lovely temp, could do with more stability from out of the front, front could b a bit straighter when standing, dew claws are ok, good body, and topline, i like to see a bit more extention and power on the move when gaiting, i'd really like to see more daylight under her for a working breed. she has a nice head profile, almond shaped dark eyes, good pigment, typ ear. tiptop condiotion, lovely temp and presentation.
