13 y old, compliment for the owner or person who takes daily care of her: she is shown today in tiptop condition, dental condition is excellent, one ear is tipping (veterinary test to prove the accident), lovely head profile and expression, topline is ok for age, nice tailset and carridge, a bit flat feet, corr in front and rear ang, movements are ok for age, nice condition, it's a pleasure to judge this bitch today, it's a credit for the breed.
