9 year old. In fantastic condition. You can see he loves this. And he is so eager to run and be in the ring. He is well constructed. Everything fits together and even if he is 9 years old he could run most of the young dogs tired very easy. He has a very nice head and expression, great temperament. perfect ears. The best eyes I have seen today on the shepherds. Very strong body. And his movements are really poetry. Congratulation to the owner for keeping him in such a faboulus condition.
