Solemn declaration

This declaration must be enclosed at puppy registration in the Dansk Kennel Klub, if a foreign sire has been used for the mating.

If a Danish breeder wishes to use a foreign sire for mating, the breeder has to seek information about whether the dog fulfils its homeland's possible breeding restrictions for the breed before the mating.

Before registration, the breeder must sent the following to the DKK:

1. A signed mating certificate
2. This solemn declaration
3. A copy of the sire's pedigree certificate including properly required ownership documentation.
